PRODUCT PUBLICITY RELEASE

HealthSource Marketing, LLC selected by Homeolab USA to re-launch its homeopathic business in United States

BUFFALO, NY September 10, 2007 — Jordan Stone, president of HealthSource Marketing, LLC has announced that his firm has been selected by Homeolab USA to assist in re-launching their homeopathic products business in the United States. Homeolab USA is a leading homeopathic manufacturer having significant market share in Canada. HealthSource Marketing will assist Homeolab USA by providing sales and marketing support to secure placement of both branded and private label products at wholesalers and retailers in the United States.

Homeolab USA currently markets all-natural homeopathic products for individuals of all ages. The products have proven successful in reducing stress and anxiety, improving memory loss, relieving symptoms due to bruises, strains and sprains, increasing energy, and providing anti-inflammatory properties for the elimination of rheumatism, osteo-arthritis and aching muscles. Its products are sold under the brand names Arth-Flex, Bio-Mag, Arnica+, and Naturcoksimum Flu Relief, North America's #1 homeopathic flu remedy. Homeolab USA also offers a line of oral homeopathic solutions for children aged 0-9 to relieve symptoms associated with colic, teething, earache, restlessness and whooping cough.

The headquarters for Homeolab USA is located at 3025 De l'Assomption Blvd., Montreal, Canada

HealthSource Marketing, LLC is a privately held sales and marketing organization focused on helping companies establish themselves in the consumer health markets. They offer capabilities in product and project development, headquarter representation, sales strategizing, and new business development. Depending on a client's specific needs, HealthSource Marketing can provide a tailored package of skills including marketing, sales, graphic design, web development and business consulting services.
